# Important Information Regarding Entry Submission

## Please read this section carefully

### ENTRY REQUIREMENTS:

#### Please make sure that your entry includes the following documents:

1. Federation Agreement Signature page (2024) with signatures for Rider, Owner, Trainer, Coach and Parent as applicable. (Rider, Owner & Trainer REQUIRED, Coach must sign if attending show.) PDF preferred.
2. Federation Waiver and Release of Liability form (2024) with signatures for Rider, Owner, Trainer, Coach and Parent as applicable. (Rider, Owner & Trainer REQUIRED, Coach must sign if attending show.) PDF preferred.
3. Vaccination records for horse. (Flu/Rhino) Vaccinations need to be within past 6 months, and at least 7 days prior the show. Vaccination records must list horse's **competition name** and must match name on the entry form. **EACH** entry must have a vaccination form attached. PDF preferred.

#### Please make sure that your entry has the CORRECT information and includes membership and horse recording numbers and CARDS

1. Use CORRECT information for all people and horses on the entry. Do NOT use YOUR information in for Owner, Trainer or Coach if these are different people than you. Each person needs their own unique and correct data. BAD DATA (address, phone, email or membership numbers) creates BAD entries and will cause additional fees.
2. Membership and Horse Recording numbers and **CARDS** are required for all classes that require membership. Horse MUST have a USDF AND USEF horse recording number for any class other than Intro & Opportunity. (**NOTE**—if you have correct numbers on your Fox Village Entry, you **DO NOT need to upload cards**—Cards are automatically attached to your entry if the profile information is correct.)
3. Emergency contact and phone for ANYONE that will be mounted while on show grounds must be on the entry. (May put on signature forms as needed.)

#### Other things that help us to keep fees low:

- We kindly request that you create your entry online at FoxVillage.com. If mailing a paper entry, please include the \$10 mailing fee.
- Memberships and registrations MUST be active and up to date **at the time of entry**. USDF non-members will be charged a non-member fee if membership is not active at time of entry. USDF Non-member fees are NOT refundable. All fees collected are paid to USDF as required. Please renew your memberships at least 7 days prior to creating your entry.
- **Print and check your online entry before you submit.** Make sure you have ATTACHED the Federation Agreement and Waiver and horse vaccination documents. Verify that it is the correct form and signatures match people listed on the entry.
- Signatures on Federation Agreement and Waivers must be either a script (wet) signature OR an e-sig with a certificate number. A typed name on the "signature" line is not legal and will not be accepted.
- **DO NOT** include any of the following with your entry; Safe Sport Certificate, Freestyle records, Pony measurement, Facility releases other than CNDC, or out of date vaccination records. Your entry should be NO MORE than 8 pages in total. Help us keep office fees low by only including the required entry documentation.
- Incomplete entries, inaccurate (bad data) entries or those missing documents will be charged \$25 fee. Please note, this helps us keep the office fees down for those that do submit complete entries.

### NEED HELP?

Several sources are available if you need help with your entry.

- Harlequinshowexperience.com—has many links and info to help you including; signature forms, links to USEF, USDF and CDS.
- The Entry Secretary is here to help. If you need tutorial help with Fox Village entries or other entry related issues, you can set an appointment for a Zoom meeting or call. Entry instruction offered at \$15/half hour or \$25/hour. Get help to ensure your entry is correct prior to submission to avoid incomplete entry fees. Email appointment request with times/days you are available to LDson-Horse@gmail.com.

### CNDC has consistently worked to keep entry fees as reasonable as possible:

- We DO NOT charge any "COVID 19" fees.
- We DO NOT charge any "EMT" fees.
- We DO NOT use fancy expensive scoring programs. We LOVE Fox Village and our scores are posted online to Fox Village and Competitor Tent in REAL TIME. Scores are normally posted within 15 minutes of the completion of the ride. For movement by movement scores, use the Competitor Tent app.

We appreciate your support of our shows and hope that by keeping the show fees reasonable you are able to come show with us frequently this year.

### **COVID-19 Action Plan**

As long as US Equestrian Federation requires competitions to follow a COVID protocol, this show will implement a “COVID-19 Action Plan”. The plan includes protocol that USEF has directed shows to implement, as well as other precautions show management is implementing to help mitigate the spread of disease. Your entry and participation in this show are predicated on your agreement to follow and abide by the protocols as outlined and provided by show management. Protocols and guidelines are subject to change. The most recent requirements will be emailed prior to each competition and posted on the show grounds.

### **GENERAL COVID PROTOCOL:**

To mitigate the spread of COVID or other communicable disease includes, the show protocol includes, but is not limited to the following:

- Prior to the show, please check your entry confirmation and provide any items needed to complete entry. Entry must be COMPLETE prior to arrival at competition.
  - Number packets will be on a table outside of office. Please send one designated person to pick up group packets if possible. (Subject to change based on EHV1 requirements.)
  - Social Distancing—Please maintain 6 feet of distance between people where possible, particularly with those not in your immediate group.
  - Ride times will be posted to FoxVillage by noon prior to the start of the competition per USEF rules.
  - Scoring is live streamed to FoxVillage.com and the CompetitorTent app. Tests will be available for pick up on table out side of show office.
  - Prepackaged snack foods will be available for purchase. Limited hours of availability. Water will be provided through out show.
  - Face coverings or masks should be carried by all on show grounds just in case.
- 

### **BIOSECURITY PROTOCOL:**

To mitigate the spread of communicable equine disease, including strains of Equine Herpes Virus, all persons on show grounds must understand and follow basic biosecurity protocols. The complete guidelines will be sent with show information and ride times to all competitors. Competitors, owners, trainers and coaches are responsible to make sure their guests follow guidelines.

For the competitions covered in this prize list the following is required:

- Current vaccination records must be included with entry forms as outlined under #2 page 9.
  - Horses **stabled overnight** for the show must have temperature records taken twice per day (AM and PM) for 3 days prior to arrival. Temp record form must be provided at check in. Temps must be taken twice per day while at the facility and posted on the stall door.
  - Horse’s showing signs of illness, including fever and nasal discharge, within 72 hours prior to the competition should not be brought to the show grounds.
  - Horses that develop signs of illness while at show must be reported to the show office immediately.
- 

### **SHOW CANCELLATION POLICY:**

Please be aware of our show’s good faith cancellation policy.

- Factors outside of show management’s control may cause a show to be interrupted, stopped or cancelled. Factors include, but are not limited to, human communicable disease, equine communicable disease, directive from USEF, or other. If a show must be cancelled in advance due to reasons outside of show management’s control, management will execute a good faith refund policy.
- If show management deems it necessary to cancel a show in advance of the competition, submitted entry fees will be handled as follows:
  - \* Organization fees (USEF, USDF and CDFA) - refunded in full
  - \* Stabling fees—refunded in full
  - \* Class fees may or may not be refunded. Funds from class fees may be retained to cover mandatory costs incurred by the show from officials, staff, and organizational fees/penalties. Show management will endeavor to refund to entrants as much of their show fees as possible.
  - \* Office Fees— not refunded.
  - \* Fees paid to Fox Village for entry submission service are NOT refundable.
- CNDC shows are held “rain or shine”. No refunds are given for day of show weather conditions. Weather conditions include, but not limited to; heat, cold, rain, wind, lightning, air quality or other environmental conditions. Conditions may cause interruption or show stoppage due to safety concerns. However, this does not constitute a refund to competitors, as once a competition is underway, all organization fees, officials and others require payment from the show.

It is not the intent of the show to garner profit from cancelled shows. The show will, in good faith, provide refunds for shows cancelled by management in advance of the start of a competition. Situations may arise in which the competitor must make a decision as to if it is in their personal or their horse’s best interest to compete. A competitor is free to choose to scratch when and if they feel they need to. However, when a competitor choses to scratch or cancel their entry, no refund will be due to the competitor unless the scratch falls under the conditions outlined under #3 of the Show Rules and Information.

### Safe Sport Training Requirements

Reminder: All USEF Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for SafeSport training requirement to be eligible to participate in the competition. All participants must adhere to the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and the Minor Athlete Abuse Prevention Policies. More information about these can be found at [www.usef.org](http://www.usef.org).

## USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
