Please note that any pending rule changes may affect this competition. They will be posted on the USEF website, [www.usef.org](http://www.usef.org) up to and including the day before the show begins.
2. Quadrille will follow the rules of USDF.
3. Management reserves the right to arrange for additional judges and to cancel, combine or amend any class, including but not limited to class awards, scheduling and location.
4. Management reserves the right to refuse, accept conditionally or to cancel any entries, disqualify riders or exhibitors, prohibit exhibition of entries, without claim to damages.
5. Show Management reserves the right to interpret all questions and conditions in regard to, or arising out of, or incident to the show, without claims for damages or recourse of any kind. All questions not covered by these rules and regulations shall be decided by the Show Management and such determinations shall be final.
6. Owner/Agent/Participant agrees that every horse entered, or which they bring to the show grounds, will be subject to USEF rules, the General Rules and Information in the Prize List, and the rules of the Horse Show Management. However, Show Management will, in no case, be responsible for any loss or damage that may occur to any horse entered or on the grounds, and it shall be a condition of entry that each exhibitor agrees to defend, indemnify and hold harmless the United States Equestrian Federation, the United States Dressage Federation, The California Dressage Society, Christiane Noelling Dressage Center Inc., and any additional recognizing organizations, the facility at which the event is held (show grounds), the horse show and its management, employees, volunteers and independent contractors for any loss or accident to his/her horse, horses or equipment which may occur.

They are strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad and to keep the policy current.

9. Current USDF, USEF and FEI tests will be used.

10. USEF General Rules define the protest procedure.

#### **ENTRIES - SCHEDULING - RIDING TIMES:**

11. Entries must be postmarked or time stamped by the closing date listed in the prize list to be considered "on time". Entries accepted on a first-come basis and must include all fees, copies of membership cards and horse registration cards, or proof of registration, signed Federation Agreement Form and payment. Numbers will not be released until this process is complete; incomplete entries, or those without payment in full may be returned. If the show has extended the courtesy of accepting a late, faxed or emailed entry, the responsible party will be liable to pay all class, office, stable and other fees. Withdrawing at any time will not excuse the responsible party from paying all of the applicable fees. Those who do not comply with this will be turned in to the recognizing authorities and no future entries will be accepted until the matter has been resolved.

12. Checks payable to: Christiane Noelting Dressage Center Inc. Payments made to third party entry processing entities do not constitute payment in full until such time as the funds are received by Christiane Noelting Dressage Center, Inc.

13. Should the show be oversubscribed and the need to cut off entries prior to the closing date arises, entries received after the show fills will be notified and placed on a wait list. Ties regarding entries received at any time on the same day /time will be broken by lot prior to scheduling the show. Affected competitors will be notified and allowed to be present when the drawing of lot is performed. Entries not accepted will be returned and refunded in full. Entries that have arrived after the show is declared full and prior to the printed entry closing date will not be subject to late fees. Any entry postmarked, or submitted online after the published closing date is considered a late entry and all late fees will apply.

14. Post entries (entries submitted at the show) and class changes allowed if space is available. Prior to the start of the class, all forms need to be completed, signatures obtained and fees paid. \$10 Change Fee plus class fee applied to all post entries. All change requests must be in writing and accompanied by a blank check or cash to cover the cost of the class(es) requested. If the change is granted, the usual class and post entry fees will be charged. PLEASE NOTE: Once the show is scheduled, the fee paid for a scratched class will not be applied to a requested class unless the scratch time is filled. Copies of all current membership cards are required with entry.

## **ALL COMPETITORS:**

### **Protective Headgear Rule**

#### **DR120 requires protective headgear as follows:**

From the time horses are officially admitted to the competition grounds by competition management, anyone mounted on a horse at any time on the competition grounds including noncompeting riders, riders on non-competing horses, and those competing in all classes and tests, including Para-Equestrian tests must wear protective headgear as defined by this rule and otherwise in compliance with GR801. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. Protective headgear is defined as a riding helmet which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. The harness must be secured and properly fitted.

The Federation and Christiane Noelting Dressage Center Inc. make no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may

result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

**Sharps Containers:**

Competition management shall place a minimum of one sharps container per each competition, whether or not stabling is provided. Additionally, at least one sharps container per fifty occupied stalls for the disposal of needles and other disposable sharp instruments in convenient locations in barns housing competition horses. It is competition management's responsibility to replace such containers when full and dispose of them properly. Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$100 for improper disposal of needles or other sharp disposable instruments. Competition management will place a notice of this requirement either in its prize list or on a specific handout given to trainers on check in at the competition. If local law has different requirements, local law will prevail. Competitions failing to comply with placing the required number of containers on the show grounds will be considered in violation of the rules and may be subject to penalty as determined by the CEO or Executive Director and/or the Hearing Committee.
